

《天地也悠悠》

The Endless Heaven and Earth

作詞：太陽盛德導師

作曲：太陽盛德導師

這麼多年 縱然懷舊

After all these years, I still remember

幾經風雨 點滴心頭

all of the hardship

再看朝陽升起 了悟夜晝

Seeing the sunrise, I realize

憶起故事緣由

how the story begins

這是曾經的夢 多年以後 平行了邂逅

after all these years I remember that there was a dream

句點思緒情由

figure out the past

渲染著幕後 未來加油

decide to work hard for the future

淚海鼻抽 洗去千年憂 釋懷心揪

tears wash away the thousand-year sorrow and my heart is finally open

想起兒時兜 圖畫人生遊

Remember the childish past

弄巧成真怎怨尤

of many wrong doings

收拾兒戲莫回眸

never to look back and repeat

天地也悠悠 在心頭

The endless Heaven and Earth is in my heart

這麼多年 縱然懷舊
