

《如果》

What if

作詞：太陽盛德導師

作曲：太陽盛德導師

如果有如果 我要更加快活

If there is what if, I want to be happier

心花一朵朵 欣賞世事不錯

Feeling like flowers blossoming in my heart, I appreciate all things
in life

人生能擁幾個如果 莫錯過

How many what if's can a life have, please don't miss it

看人間人情總是薄 努力做

Life can be cold, I got to work harder

人人在娑婆 把握就能甜多多

In the Saha world, life is sweet if I can grab hold

機會總要珍惜過 笑看如果

And cherish opportunities

總添富足多 成功不失落

There will be abundance and success

處處都好暖和 今生不寂寞

love is everywhere and life is no longer lonely

人生能擁幾個如果 莫錯過

How many what if's can a life have, please don't miss it

看人間人情總是薄 努力做 Ho~

Life can be cold, I got to work harder Ho~

人人在娑婆 把握就能甜多多

In the Saha world, life is sweet if I can grab hold

機會總要珍惜過 笑看如果
And cherish opportunities
總添富足多 成功不失落
There will be abundance and success
處處都好暖和 今生不寂寞
love is everywhere and life is no longer lonely

事事都有把握 不再消費如果
Assertive to everything and no more splurging
生活變得不錯 輕鬆過
Life becomes smooth-sailing
幻想泡沫 總會錯用如果
Chasing the impermanence resulting in regrets
反而折磨 人生怎耐幾回錯 千萬努力做
And pain. Life cannot handle too many mistakes, please remember to
work hard
開心懷莫把自己鎖 就不再如果
Open my heart. If I lock it, there will not be another what if
