### Pieces of Love

作詞: 太陽盛德導師

作曲: 太陽盛德導師

泛黃片 終究片片情

Each yellow film represents a piece of love

憶當時 恰如其境

Remembering the past like I was just there

感念過去幕幕 我們曾經

Grateful to our past

再追著盼 可否能再經

Can we go through it again?

潮來潮往 樣樣情

Tides ebb and flow like stories of life

學會懂得聽 當下音

Learn to listen to the current sound

順逆總是經 蜜品味總由心

The good times and the bad times are all sweet

預訂甜心 細品浮萍

like eating dessert

遙寄烹調甜廳 驀然回味 片片情

enjoying the pieces of love
