值得細細思量 誓成為將相

**Consider pledging to become a General**

浩蕩三綱五常 圓滿冥陽

**Be someone who aligns with the Universe's guidelines and**

**achieves perfection in both heaven and Earth**

來成真夢想 迎著光一步步走四方

**Turn dreams into reality and follow the light to create a bright future**

夜未央迎頭趕上 跟著太陽去闖

**Catch up to the front before dawn to follow the Sun**

來圓滿盼望 迎著風一天天更堅強

Many alarm clocks sound off, many departures

Many tireless efforts leave behind establishments for the generations  
to come
