

GREAT UNITY

♩ = 70
A Key

Written by: Master Ted Sun

INTRO

(AP in)

In the

VERSE

dawn of a thousand years softly turning, You and I left our traces in light, Every

step that we walked together in silence, Painted deep in the breath of our lives. Every

PRE-CHORUS

moment like strings gently played into being, Touching all where our lifelines align. Every drop of the

CHORUS 1

sweetness we carry within us, Resting softly in echoes of time. All the

memories glow quietly, Leading hearts to eternity. We walked through the thorns of fate together,

Holding on through the winds of time. Every promise

CHORUS 2

became a forever, Now our souls are no longer confined. We are

more than alone in this life, We are home in each other's light. Through the paths

38  **of the past we are searching for meaning, Finding ways we can finally be one. Every thread of**

BRIDGE

43  **emotion unfolding within us, Weaves a world where all hearts belong. Let our**

47  **hands and our hearts join together in union, Breaking down every wall we have known, From the**

51  **love and the sweetness we've carried within us. Build a truth that will**

CHORUS 3

55  **always be home. In the silence we feel understanding, In our**

59  **hearts we are never apart, This devotion will never be ending, We are**

63  **shaping a world from the heart. All the past turns to light in the darkness, Through the**

67  **countless paths we are finding, To the truth of our unity.**
